We ask this day that You would bless the labors of all Your fragile creatures. We remember especially before You the labors of the Senate and the House, of the Governor and Lieutenant Governor, of the judiciary, and of all their staff both salaried and hourly. We pray for those who lobby and those who report the news. We remember before You those most prominent and those most easily overlooked.

Shape our ambitions, O God, and guide our passions. Deflate our egos, and grant us grace to laugh at our foolishness. Remove from us that bigotry which demonizes our opponents. And whether we bow the knee to You or not, O Lord, humble us that we would care for the well-being of this state and all within its bounds.

Finally, we ask, O Lord our God, that You would so teach us to number our days that we may apply our hearts unto wisdom. Amen.

A BILL TO BE ENTITLED
AN ACT
relating to the provision of health care to an inmate confined in a facility
operated by or under contract with the Texas Department of Criminal Justice.
BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
SECTION 1. Subchapter B, Chapter 501, Government Code, is amended
by adding Section 501.061 to read as follows:
Sec. 501.061. INMATE COPAYMENTS FOR CERTAIN HEALTH
CARE VISITS. (a) An inmate confined in a facility operated by or under
contract with the department, other than a halfway house, who initiates a visit
to a health care provider shall make a copayment to the department in the
amount of $3. The inmate shall make the copayment out of the inmate's
trust fund. If the balance in the fund is insufficient to cover the
copayment, 50 percent of each deposit to the fund shall be applied toward the
balance owed until the total amount owed is paid.
(b) The department may not charge a copayment for health care:
(1) provided in response to a life-threatening or emergency situation
affecting the inmate's health;
(2) initiated by the department;
(3) initiated by the health care provider or consisting of routine
follow-up, prenatal, or chronic care;
or
(4) provided under a contractual obligation that is established under
the Interstate Corrections Compact or under an agreement with another state
that precludes assessing a copayment.
(c) The department shall adopt policies to ensure that before an
inmate initiates a visit to a health care provider, the inmate is informed that
a $3 copayment will be deducted from the inmate's trust fund as required by
Subsection (a).
(d) The department may not deny an inmate access to health care as
a result of the inmate's failure or inability to make a copayment.
(e) The department shall deposit money received under this section in an
account in the general revenue fund that may be used only to pay the cost of
administering this section. At the beginning of each fiscal year, the
comptroller shall transfer any surplus from the preceding fiscal year to the
state treasury to the credit of the general revenue fund.
SECTION 2. Section 501.014, Government Code, is amended by adding
Subsection (g) to read as follows:
(g) The department shall withdraw money from an inmate's trust fund
under Subsection (e) before the department applies a deposit to that fund
toward any unpaid balance owed to the department by the inmate under
Section 501.061.
SECTION 3. This Act takes effect January 1, 1998.
SECTION 4. The importance of this legislation and the crowded
condition of the calendars in both houses create an emergency and an
imperative public necessity that the constitutional rule requiring bills to be
read on three several days in each house be suspended, and this rule is
hereby suspended.
