S.B. 1623  
By: Duncan  
Health & Human Services  
4-14-97  
As Filed

### **DIGEST**

Currently, based on an opinion issued by the attorney general, the Lubbock County Hospital District has ceased its funding of the medical examiners office, which had been funded through an interlocal agreement between the hospital district and the Lubbock County Commissioners Court, and in part, provided for non-salary expenses, including the transportation of bodies, office space, supplies, laboratory services, radiology services, and photography. In 1995 and again in 1997, in response to a request for reconsideration submitted by the county and the hospital district, the attorney general concluded that a county hospital district is not authorized to fund the salary and expenses of the medical examiner's office because the purpose of that office is to determine whether the death of a person under certain circumstances was caused by an unlawful act or omission, which is not a hospital purpose. S.B. 1623 would amend the hospital district's enabling statute to address the attorney general's concerns by allowing the hospital district to fund that portion of the medical examiner's office that is unrelated to criminal death investigations.

### **PURPOSE**

As proposed, S.B. 1623 establishes the power of the Lubbock County Hospital District to provide facilities and hospital-related equipment, supplies, and services to Lubbock County for the use of the medical examiner's office.

### **RULEMAKING AUTHORITY**

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.

### **SECTION BY SECTION ANALYSIS**

SECTION 1. Amends Section 10, Chapter 484, Acts of the 60th Legislature, Regular Session, 1967, to require the board of managers, with the approval of the commissioners court, to provide to Lubbock County, at the hospital district's expense, office space and hospital-related equipment, hospital-related supplies, and hospital-related services for the use of the county medical examiner's office.

SECTION 2. Emergency clause.  
Effective date: upon passage.
