### **DIGEST**

Currently, under Texas law, the Comal County Fresh Water Supply District No. 1 (district) is an existing and operating fresh water supply district. Previously, there have been various annexations of land into the district. While there are no pending legal or administrative complaints against the district, the board for the district wishes to have past annexations, bond elections, and other proceedings of the board validated by the legislature. S.B. 1943 validates past annexations, bond elections, bond issuances, governmental actions, and other proceedings and decisions made by the board of the Comal County Fresh Water Supply District No. 1.

### **PURPOSE**

As proposed, S.B. 1943 validates past annexations, bond elections, bond issuances, governmental actions, and other proceedings and decisions made by the board of the Comal County Fresh Water Supply District No. 1.

### **RULEMAKING AUTHORITY**

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.
