### **DIGEST**

Currently, the Texas Animal Health Commission (TAHC) does not have the authority to regulate a number of activities which may assist in the control and tracking of certain animal diseases. H.B. 1244 would establish conditions regarding the control of animal diseases.

### **PURPOSE**

As proposed, H.B. 1244 establishes conditions regarding animal diseases.

### **RULEMAKING AUTHORITY**

Rulemaking authority is granted to the Texas Animal Health Commission in SECTION 1 (Sections 161.0525, 161.0545, and 161.058(b), Agriculture Code); SECTION 2 (Sections 161.101(a) and (b), Agriculture Code); SECTION 4 (Section 165.026(b), Agriculture Code); and SECTION 6(b) of this bill.
