Provisions relating to guardianships were added in newly created sections in the code, but provisions containing the same language were left in Part 10, Probate Code. This bill repeals Part 10, thereby eliminating the duplication.

PURPOSE

As proposed, H.B. 1662 repeals Part 10, Probate Code, to eliminate a duplication of the statute.

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.
