Committee Report (Substituted)

### **DIGEST**

Currently, only fire departments may hold an examination at different locations, if each applicant takes the same examination and is examined in the presence of other applicants. Some police departments must recruit beyond their geographic borders in order to obtain a qualified pool of candidates. The authorization to hold exams in different locations would facilitate active recruitment. C.S.S.B. 212 would authorize a police department to hold entrance examinations at different locations.

### **PURPOSE**

As proposed, C.S.S.B. 212 authorizes entrance examinations for beginning positions in police departments to be held at certain locations.

### **RULEMAKING AUTHORITY**

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.
