DIGEST

Currently, Texas law does not issue a temporary, nonrenewable driver education license. A driver education instructor must have a teaching certificate, along with any additional certification. This bill would allow a driver education instructor who does not meet all the driver education requirements to teach with a temporary, nonrenewable license.

PURPOSE

As proposed, S.B. 81 issues a temporary, nonrenewable driver education instructor license valid for a six-month period to a driver education instructor.

RULEMAKING AUTHORITY

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.
