Committee Report (Amended)

DIGEST AND PURPOSE

The 75th Legislature created the Educational Aide Exemption Program to fund tuition and fee exemptions for educational aides who attend college to become certified teachers. H.B. 1130 amends certain provisions of the Educational Aide Exemption Program to expand the number of teacher aides who are eligible to receive the exemption from tuition and fees, and requires school districts and universities to adopt plans designed to facilitate the use of the program and increase the number of certified teachers in Texas.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends Section 54.214, Education Code, by amending Subsection (c) and adding Subsections (f) and (g), as follows:

(c) Requires a person, to be eligible for an exemption under this section, to be a resident of this state, be a school employee serving in any capacity who worked as an educational aide for at least one school year during the five years preceding the term or semester for which the person receives the exemption, and be enrolled in courses required, rather than classes necessary, for teacher certification at the institution of higher education granting the exemption. Deletes text requiring the person to be a certified educational aide with at least two years experience working directly with students, and be working directly with students during the entire term or semester for which the person receives the exemption.

(f) Requires the board of trustees of a school district to establish a plan to encourage the hiring of educational aides who show a willingness to become certified teachers.

(g) Requires the governing board of an institution of higher education that offers courses required for teacher certification to establish a plan to make those courses more accessible to those who seek teacher certification. Requires the board to consider as part of its plan to make those courses more accessible for teacher certification, evening classes, Internet classes, or other means approved by the Texas Higher Education Coordinating Board.

SECTION 2. Amends Section 21.050(c), Education Code, to provide that a person who receives a bachelor's degree required for a teaching certificate on the basis of higher education coursework completed while receiving an exemption from tuition and fees under Section 54.214 may not be required to participate in any field experience or internship consisting of student teaching to receive a teaching certificate.

SECTION 3. (a) Effective date: upon passage or September 1, 2001.

(b) Provides that the changes in law made by this Act to Sections 54.214(c) and 21.050(c), Education Code, take effect beginning with the 2001 fall semester.

(c) Requires that not later than January 1, 2002, the board of trustees of a school district shall establish a local plan as required by Section 54.214(f), Education Code, as added by this Act.

(d) Requires that not later than January 1, 2002, the governing board of an institution of higher education that offers courses required for teacher certification to establish a plan as required by Section 54.214(g), Education Code, as added by this Act.

SUMMARY OF COMMITTEE CHANGES

Amends Engrossed H.B. 1130, by adding to the effective date that the bill will become effective upon passage if the required votes are received, rather than just on September 1, 2001.
