### **DIGEST AND PURPOSE**

The Texas Interagency Council for the Homeless (council) was created in 1989 to coordinate the state's resources and services for the homeless, and consists of representatives from state agencies that serve the homeless. The council receives no state funding and does not have a full-time staff, but receives clerical and advisory support from the Texas Department of Housing and Community Affairs (TDHCA). The council is subject to the Sunset Act and will be abolished on September 1, 2001, unless continued by the legislature. C.S.H.B. 3450 implements the recommendations of the Sunset Advisory Commission.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
