DIGEST AND PURPOSE

Current law requires state agencies to notify the Texas Workforce Commission (TWC) and the Equal Employment Opportunity (EEO) Office in the governor's office of all job vacancies occurring and filled in Travis county. The functions of the EEO Office in the governor's office have been administratively transferred to TWC. When the transfer occurred, the law regarding notification of job vacancies was not amended to reflect the new arrangement. As proposed, S.B. 1396 requires state agencies to notify only TWC of job vacancies.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
