DIGEST AND PURPOSE

Currently, the board of trustees of each school district must publish an annual report that includes certain information on the educational performance of the district and of each campus within the district. As proposed, S.B. 208 adds to the list of information included in the annual report data on the performance of high school graduates in college.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION BY SECTION ANALYSIS

SECTION 1. Reenacts and amends Section 39.053(a), Education Code, as amended by Chapters 510 and 1417, Acts of the 76th Legislature, Regular Session, 1999, to provide that information received under Section 51.403(e) for each high school campus in the district be included in the annual report published by the board of trustees of each school district, presented in a form determined by the commissioner of education.

SECTION 2. Effective date: September 1, 2001.
