DIGEST AND PURPOSE

Current law does not designate certain roads as a NASA Parkway. H.B. 1049 designates certain segments of Farm-to-Market Road 528 and NASA Road 1 as the NASA Parkway, and requires the Texas Department of Transportation to design, construct, and erect markers indicating relevant information along the parkway. In addition, H.B. 1049 provides that the designation of the NASA Parkway does not affect the designation of part of Farm-to-Market Road 528 as the Ralph I. Lowe Parkway.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
