### **DIGEST AND PURPOSE**

Assistant county auditors are currently capped at a salary increase of 5 percent per year. This has created internal inequity and affected recruitment efforts in many counties. As proposed, S.B. 1327 provides counties the flexibility to determine appropriate pay by deleting a reference to the salary of an assistant county auditor from current Texas law.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
