DIGEST AND PURPOSE

Currently, a school district is entitled to an annual allotment equal to the adjusted basic allotment multiplied by 0.2, for each student who is educationally disadvantaged or who is a student who does not have a disability and resides in a residential placement facility. As proposed, S.B. 1372 provides that the school district is only entitled to that annual allotment if the district has a wealth per student that is equal to or less than the equalized wealth level if the district has a wealth per student that exceeds the equalized wealth level, then the allotment is multiplied by a factor of 0.3.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
