According to the Federal Motor Carrier Safety Administration, 5,307 Americans died and an estimated 145,000 were injured in traffic accidents involving large trucks in the year 2000. Texas had the largest number of truck driver highway fatalities in 1998, according to the U.S. Bureau of Labor Statistics. As proposed, S.B. 1679 provides a number of safety measures relating to the driving record of the holder of a commercial driver's license and the operation of commercial motor vehicles and creates an offense.
