DIGEST AND PURPOSE

Currently, Sections 152.014 - 152.016 of the Local Government Code require a county commissioners court to appoint a nine-member salary grievance committee in January of each year. Members of the committee are appointed to serve for the calendar year and to hear salary appeals by elected county officials. However, the county budget process is not calendar-year based and, in addition, grievances are rarely filed. As proposed, S.B. 189 requires the appointment of a salary grievance committee upon receipt of a salary grievance and sets forth the terms and conditions under which the committee meets.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
