DIGEST AND PURPOSE

Currently, a county has the authority to regulate on-premise signs through a permitting process but does not have the authority to collect a fee for performing this function. As proposed, S.B. 366 allows a county commissioners court, in a county with a population of 2.4 million, to set a reasonable fee for issuing permits for on-premise signs.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
