**AUTHOR'S/SPONSOR'S STATEMENT OF INTENT**

Currently, persons appointed to fire or police departments serve on probationary status for 52 weeks from the date of hire. This probationary period includes 18 weeks of basic training, 15 weeks of field training with an officer and up to an additional eight hours of classroom training at the discretion of the department. The remaining probationary period allows only nine weeks of departmental evaluation as the new officer or firefighter acts in full capacity.

H.B. 148 amends the Local Government Code to allow the civil service commissions within each municipality to extend the probationary period up to six additional months for new police and firefighter recruits.

**RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION 3. Effective date: upon passage or September 1, 2005.
