AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

In previous legislative sessions, conflicting laws were passed relating to nonprofit water supply and sewer service corporations. H.B. 2045 reinstates the intent of the original legislation and resolves any unintended contradiction in the law by deleting language in the Business Organizations Code which states that the act does not apply to nonprofit water supply and sewer service corporations.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
