AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

Currently, various entities are required to report certain information to the Legislative Budget Board (LBB), and the director of the LBB must have the approval of the joint LBB chairs for LBB expenditures and to employ personnel.

H.B. 2753 eliminates and amends some of the existing reporting requirements in order to improve the efficiency of the LBB. H.B. 2753 also eliminates the existing provisions which require the director of the LBB to have certain approval for LBB expenditures and to employ personnel, in order to conform to the practices in effect with most other state agencies.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
