AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

Led by the Hidalgo Foundation, the San Antonio community has raised almost \$7 million for the historic Bexar County Courthouse, including \$4.9 million dedicated to the interior and exterior renovation of the 1897 structure. A \$2 million grant from SBC has funded the installation of technology, including the creation of a high-tech children's court, the first of its kind in the state of Texas. However, the costs for renovating the historic structure have been estimated at almost \$30 million.

As proposed, S.B. 1003 authorizes Bexar County to collect a civil courts filing fee similar to the one currently collected in Dallas County. A \$15 fee would generate an estimated \$1.2 million per year for Bexar County. The funds generated by the new fee would allow the county to partner with the private sector to complete the renovation of the historic courthouse and to improve a variety of other court facilities located in newer buildings.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
