AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

Currently, sales tax cannot be contributed to a Tax Increment Reinvestment Zone (TIRZ). Allowing cities to contribute sales taxes would give them greater flexibility in financing TIRZ projects. As proposed, S.B. 1199 allows cities to contribute a sales tax increment to a TIRZ. Several large TIRZs in Houston are primarily in large commercial activity centers. The proposal to dedicate all or a portion of a city's sales tax increment provides the city flexibility for mall/retail-oriented redevelopment projects. Providing for sales tax increment enables cities to complete a TIRZ project plan more quickly.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
