### **AUTHOR'S/SPONSOR'S STATEMENT OF INTENT**

The purpose of this proposed legislation is to allow additional flexibility in the provision of magistrate services by Bexar County. As proposed, S.B. 1597 allows the Bexar County commissioners court and county court judges to jointly appoint county court magistrates, who have concurrent criminal jurisdiction with the judges of the statutory courts, justice of the peace courts, and municipal courts of Bexar County.

Additionally the proposed legislation creates the position of the Chief of County Court Magistrate Services to be appointed for a three year term by the commissioners court, and provides that a county court magistrate is given the same judicial immunity as a statutory county court judge.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
