AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

Currently, Boards of Regents are not required to permit public testimony from public at hearings. Students, alumni, and members of the community often would like to provide their views on how decisions of the boards affect them. As proposed, S.B. 511 requires boards of regents to allow a reasonable amount of both written and oral testimony at their regular meetings.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
