### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

The 78th Legislature, Regular Session, 2003, created the Downtown Midland Management District (district) as a special district. Since its creation the district has purchased several properties and has begun the process of demolishing buildings in the downtown Midland area. Current law leaves the district open to liability. As a result, the district requires the validation of certain acts, including the purchase and sale of certain property.

H.B. 679 validates certain actions and proceedings of the Downtown Midland Management District, including the purchase and sale of real property by the district and excepting certain matters under litigation.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
