### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

According to the U.S. Census Bureau, the population of El Paso County has grown from 591,610 in the 1990 census, to 679,622 in the 2000 census, to 708,319 in the American Community Survey taken in 2005. As a result of this increase in population, El Paso County may be in need of another criminal district court.

As proposed, S.B. 1239 creates a new criminal judicial district in El Paso County. This bill requires the new criminal district court to give preference to felony drug cases and associated civil cases emanating from those felony drug cases. This bill requires the new criminal district court to give secondary preference to other criminal cases and associated civil cases emanating from those criminal cases.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
