Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, wine and beer permittees may obtain a food and beverage certificate if food service is the primary business being operated on the premises. This certificate distinguishes bars from restaurants and exempts those who qualify for the certificate from a number of regulations. Concessionaires in sports and convention facilities do not qualify for a certificate due to the fact that sporting events or conventions are the primary business in these facilities.

C.S.S.B. 1426 allows the Texas Alcoholic Beverage Commission to exempt permittees who are concessionaires in public entertainment venues, such as sports stadiums and convention centers, from the requirement that food service be the primary business on the premises in order to obtain a food and beverage certificate.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
