Currently, a driver with a learner's permit is authorized to operate a vehicle while accompanied by a licensed driver 21 years of age or older. There are currently no provisions prohibiting this accompanying licensed passenger from sleeping while the driver with a learner's permit operates the vehicle.

As proposed, S.B. 153 makes it an offense for the accompanying licensed passenger of a driver with a learner's permit to sleep, be intoxicated, or to engage in any activity that prevents the passenger from observing and responding to the actions of the driver of the vehicle.
