AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

In recent student elections, the students at The University of Texas at Dallas voted to implement three new fees— a fee to fund shuttle services around campus and other parts of the city, a fee to build a new student services building, and a fee to fund the school's Division III Athletic Program. However, the university does not have statutory authority to charge such fees.

As proposed, S.B. 285 provides the statutory framework for the board of regents of The University of Texas System to charge UT-Dallas students these fees.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
