AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

In 2007, the 80th Texas Legislature, Regular Session, enacted H.B. 1871 to address the fact that there was no law regulating the resale of plastic bulk merchandise containers to a person or business that recycles, shreds, or destroys these types of containers. H.B. 1871 also required a person in the business of recycling these containers to obtain proof of ownership from an individual who attempts to recycle five or more of the containers. The theft of plastic bulk merchandise continues to rise and is very costly.

H.B. 2127 amends current law relating to regulations regarding the sale of plastic bulk merchandise containers and provides penalties.
