AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Under current law, elementary and middle schools in certain urban school districts may apply for a grant from the Texas Department of Agriculture (TDA) for demonstration agricultural projects in those schools. This bill would permit nonprofit organizations, such as the Future Farmers of America (FFA) and 4-H, to partner with a school in an application for a grant.

As proposed, S.B. 1501 authorizes TDA to award a grant to a nonprofit organization that partners with an elementary or middle school for a demonstration agricultural project.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
