AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The 80th Legislature, Regular Session, 2007, passed H.B. 2188, which made records submitted to an appraisal district by a private entity confidential. The intent behind H.B. 2188 was to protect information obtained by an appraisal district via subscription to a multiple listing service (MLS). However, this provision has proven to be a hurdle for appraisers in counties that do not have an MLS. In those counties appraisers are unable to obtain the information needed to perform property appraisals.

S.B. 1813 amends current law relating to the exception from required public disclosure of certain appraisal district records.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
