AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The Texas Legislative Council (TLC) is required by Section 323.007 (Statutory Revision Program), Government Code, to carry out a complete nonsubstantive revision of the Texas statutes. The process involves reclassifying and rearranging the statutes in a more logical order, employing a numbering system and format that will accommodate future expansion of the law, eliminating repealed, invalid, duplicative, and other ineffective provisions, and improving the draftsmanship of the law, if practicable—all toward promoting the stated purpose of making the statutes "more accessible, understandable, and usable" without altering the sense, meaning, or effect of the law.

The 80th Legislature adopted additions to the Business & Commerce Code, Insurance Code, Local Government Code, and Special District Local Laws Code. The same legislature passed substantive bills that amended the codified statutes. Under Section 311.031(c) (relating to the repeal of a statute by a code not affecting an amendment, revision, or reenactment), Government Code, those substantive amendments are given effect as part of the codified law.

S.B. 1969 conforms additions to the Business & Commerce Code, Insurance Code, Local Government Code, and Special District Local Laws Code that were enacted by the 80th Legislature to other acts of the 80th Legislature, makes corrections to the codes, conforms other laws to the codes, and codifies other existing laws as new provisions in the codes. The bill makes various nonsubstantive amendments to enacted codes, including amendments to conform the codes to acts of previous legislatures, correct references and terminology, properly organize and number the law, and codify other law that properly belongs in those codes. The bill renumbers and reletters provisions of enacted codes and changes references to eliminate duplicated citations, relocate misplaced provisions, and correct corresponding references. Finally, the bill provides that it is a nonsubstantive revision that does not affect other acts of the 81st Legislature.
