AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The Central Colorado River Authority, a state authority related to control of the Colorado River, was established by the 44th Texas Legislature, Regular Session, 1935. This state conservation and reclamation district is limited in area to Coleman County, and its headquarters is in Coleman, the county seat. The river authority is governed by a nine-member board of directors appointed by the governor to six-year overlapping terms.

S.B. 794 decreases the number of board members of the Central Colorado River Authority from nine to five over a five-year period.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends Sections 4(a) and (c), Chapter 338, General Laws, Acts of the 44th Legislature, Regular Session, 1935, as follows:

(a) Requires that the powers, rights, privileges and functions of the Central Colorado River Authority (district) be exercised by a board of five, rather than nine, directors (board), all of whom are required to be residents of and freehold property taxpayers in the State of Texas and are required to be residents of the district, to be appointed by the governor of the state of Texas and confirmed by the senate. Provides that directors are appointed for staggered terms of six years with one or two, rather than three, directors' terms expiring on February 1 of each odd-numbered year.

(c) Requires that meetings of the board, until the adoption of by-laws fixing the time and place of regular meetings and the manner in which special meetings are authorized to be called, be held at such times and places as a majority of all the directors, rather than five of the directors, are authorized to designate in writing. Provides that a majority of the membership of the board constitutes a quorum, rather than requiring that five directors constitute a quorum, at any meeting, and, except as otherwise provided in this Act, or in the by-laws, all actions are authorized to be taken by the affirmative vote of a majority of the directors present at any such meeting, except that no contract which involves an amount greater than Ten Thousand (\$10,000.00) Dollars, or which is to run for a longer period than a year, and no bonds, notes or other evidence of indebtedness and no amendment of the by-laws is required to be valid unless authorized or ratified by the affirmative vote of at least a majority of the entire membership of the board, rather than by five directors.

SECTION 3. (a) Provides that the change in law made by this Act does not affect the term of a member of the board of directors of the district serving on the effective date of this Act. Requires members appointed to fill vacancies occurring on or after the effective date of this Act, except as provided by Section 4 of this Act, to be appointed in accordance with Section 4,

Chapter 338, General Laws, Acts of the 44th Legislature, Regular Session, 1935, as amended by this Act.

(b) Provides that the change in law made by this Act does not prohibit a person who is a member of the district board before the effective date of this Act from being appointed as a member of the board under the new composition of the board if the person is otherwise qualified.

SECTION 4. (a) Defines "board."

(b) Requires the governor, to maintain a board with an odd number of directors during the transition from a board of nine to a board of five directors, to make appointments to the board as provided by Subsections (c) through (f) of this section.
