AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Counties over two million in population are authorized to appoint magistrates to hear truancy cases. These truancy court magistrates are not currently authorized to access the state Juvenile Justice Information System to check on the history of the children they are working with.

S.B. 1241 will allow these magistrates, along with justice and municipal courts that exercise jurisdiction over a juvenile under Section 54.021 (County, Justice, or Municipal Court: Truancy), Family Code, to have access to the state Juvenile Justice Information System. Having more data about a truant's background will allow a magistrate, justice of the peace, or municipal judge to make a more informed decision on the disposition of a truant's case.

As proposed, S.B. 1241 amends current law relating to authorizing certain courts to access information in the juvenile justice information system.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
