C.S.S.B. 518 amends current law relating to initiatives designed to improve performance of public school students enrolled at the sixth, seventh, and eighth grade levels.

RULEMAKING AUTHORITY

Rulemaking authority previously granted to the State Board of Educator Certification is modified in SECTION 1 (Section 21.041, Education Code) of this bill.

Rulemaking authority is expressly granted to the commissioner of education in SECTION 4 (Section 29.100, Education Code) of this bill.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends Section 21.041, Education Code, by adding Subsections (e), (f), (f-1), and (f-2), as follows:

(e) Requires the State Board for Educator Certification (SBEC), in proposing rules under Subsection (b)(2) (relating to rules regarding educator certificates), to ensure that a person seeking to teach a subject in the foundation curriculum under Section 28.002(a)(1) (relating to curriculum requirements in grades K-12) at the seventh grade level or above is required to hold a certificate that indicates the person's mastery of the specific subject taught. Prohibits SBEC, to achieve this result, from issuing a generalist certificate that authorizes a person to teach a subject in the foundation curriculum under Section 28.002(a)(1) at the seventh grade level or above.

(f) Provides that Subsection (e) applies to initial certificates issued on or after September 1, 2012. Provides that Subsection (e) does not affect the validity of a certificate issued before that date or the eligibility of a person holding such a certificate for subsequent renewals of the certificate in accordance with SBEC rules.

(f-1) Requires SBEC, in implementing Subsection (e), to ensure that the subject area examinations administered to persons seeking certificates at the seventh grade level and above in English language arts, mathematics, science, or social studies are at least as rigorous as the examinations administered before September 1, 2013, to persons seeking Grades 8-12 certificates to teach in those subject areas.

(f-2) Provides that Subsection (f-1) and this subsection expire September 1, 2013.

SECTION 2. Amends Section 21.4551, Education Code, by adding Subsection (b-1), to require the commissioner of education (commissioner), in addition to the components described by Subsection (b) (relating to teacher reading academies), to ensure that each academy developed and made available under this section includes a component on providing students with writing instruction.
