AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

County clerks maintain a docket relating to execution of judgments. Currently, information must be entered into such dockets manually, which is inefficient and expensive. S.B. 886 allows information to be entered into an execution docket electronically.

As proposed, S.B. 886 amends current law relating to the execution docket and other records of certain court clerks.

(b) Prohibits the Supreme Court of Texas, notwithstanding Section 22.004 (Rules of Civil Procedure), Government Code, from amending or adopting rules in conflict with this section.

SECTION 2. Amends Section 34.03(c), Tax Code, to authorize any local government record data to be stored electronically in addition to or instead of source documents in paper or other media.
