### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

The Crystal Clear Water Supply Corporation (CCWSC) is a nonprofit water supply corporation created under and governed by Chapter 67 (Nonprofit Water Supply or Sewer Service Corporations), Water Code, for the purpose of providing retail water service in portions of Comal, Guadalupe, and Hays counties.

CCWSC is governed by a seven-member board of directors that is elected by the members of the corporation. CCWSC is interested in converting into a special utility district so that it may have the advantages of being a political subdivision of the state, including liability protections, the ability to issue tax-exempt bonds for financing projects, and more competitive insurance rates.

S.B. 1116 creates the Crystal Clear Special Utility District and dissolves CCWSC.

As proposed, S.B. 1116 amends current law relating to the creation of the Crystal Clear Special Utility District, provides authority to issue bonds, and grants a limited power of eminent domain.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
