### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

The Hispanic community in Fort Worth has a rich tradition of community service and has long embraced the organizing efforts of Cesar Chavez. During the decade before his death in 1993, Chavez visited Fort Worth on three occasions. He was honored for his work as a champion of this community and working people everywhere. In 1994, Chavez was posthumously awarded the Presidential Medal of Freedom to honor his notable service against injustice to workers.

S.B. 1314 honors Cesar Chavez by designating a portion of the IH-35 corridor, which dissects the City of Fort Worth from north to south through many Hispanic neighborhoods, as Cesar Chavez Memorial Freeway.

As proposed, S.B. 1314 amends current law relating to the designation of a portion of Interstate Highway 35W as the Cesar Chavez Memorial Freeway.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
