### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Current law allows for a county to lease advertising space in or on a county-owned building, vehicle, or website. However current law does not allow for a county transit provider to advertise on vehicles that are leased, and not owned, by the county.

S.B. 1341 amends Sections 263.251(a) and (b), Local Government Code, to allow a commissioners court of a county to adopt a procedure in which it may lease to another entity advertising space located on a vehicle leased by the county, with the vehicle owner's consent.

As proposed, S.B. 1341 amends current law relating to the authority of a county to advertise on leased vehicles.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
