AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Under current law, public school students recite the pledge of allegiance to the United States flag, the Texas flag, and have a minute of silence where the student may, as the student chooses, reflect, pray, meditate, or engage in any other silent activity that will not interfere with or distract another student. However, open-enrollment charter schools are not included in this law.

S.B. 1362 amends the Education Code to include open-enrollment charter schools in reciting the pledges and participating in a minute of silence each school day. Furthermore, S.B. 1362 maintains the current option for a student to be excused from reciting the pledges upon written request from the student's parent or guardian.

As proposed, S.B. 1362 amends current law relating to a requirement that students at an open-enrollment charter school recite the pledges of allegiance to the United States flag and the state flag.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
