Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The Texas Coordinating Council for Veterans Services (TCCVS) was created by S.B. 1796, 82nd Legislature, Regular Session, 2011, to coordinate the activities of state agencies that assist veterans, service members, and their families; coordinate outreach efforts that ensure that veterans, service members, and their families are made aware of services; and facilitate collaborative relationships among state, federal, and local agencies and private organizations to identify and address issues affecting veterans, service members, and their families.

C.S.S.B. 1892 seeks to expand and codify the list of state agency representatives on TCCVS, and clarify and simplify the structure of the workgroups to allow more flexibility to TCCVS. The bill adds a transportation workgroup and a women veterans workgroup that may be created by a majority vote of TCCVS.

The changes to TCCVS will improve the structure and efficiency of the meetings and goals of TCCVS, and allow for flexibility with workgroups. After the first year of meeting, it was evident that there were some agencies that were not originally included in the statute that play a big role in providing veterans' services. The bill includes these important agencies on TCCVS. Additionally the bill adds two workgroups, and simplifies the language regarding the workgroups to provide greater efficiency of agency staff time.

C.S.S.B. 1892 amends current law relating to the composition of the Texas Coordinating Council for Veterans Services and coordinating workgroups established by the council.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
