AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

H.B. 3175 allows Hays County to qualify for an limited provider participation fund (LPPF). The LPPF is needed in Hays County because the community does not have a large hospital district or public hospital that is able to help local private safety-net hospitals access the Texas Waiver. Though Hays County does not have a public hospital or hospital district, its local private safety-net hospitals must meet the same challenges as communities that do have large governmental hospitals. H.B. 3175 addresses this need.

H.B. 3175 amends current law relating to the creation and operations of health care provider participation programs in certain counties.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
