AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

S.B. 2013 creates Harris County Municipal Utility District No. 538 (district) as a political subdivision of the State of Texas. The district will construct and finance water, sewer, drainage, road, and recreational facilities to serve property within the district, which is located in the extraterritorial jurisdiction of the City of Houston in Harris County. The district will be a municipal utility district operating pursuant to Chapters 49 (Provisions Applicable to All Districts) and 54 (Municipal Utility Districts), Water Code.

A special district is needed to finance and construct the utility infrastructure (water, sewer, drainage, roads, and recreational facilities) necessary to promote the development of the area within the district.

Special districts are created for specific areas. No special district currently serves the area proposed to be included in the district.

S.B. 2013 amends current law relating to the creation of the Harris County Municipal Utility District No. 538, grants a limited power of eminent domain, provides authority to issue bonds, and provides authority to impose assessments, fees, and taxes.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
