### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Continuing development and growth in Central Texas, including Hays County, has created the need for large-scale, permanent improvements such as water supply and distribution facilities, wastewater collection and treatment facilities, drainage and flood control projects, and roadway improvements. Article XVI (General Provisions), Section 59 (Conservation and Development of Natural Resources and Parks and Recreational Facilities; Conservation and Reclamation Districts), and Article III (Legislature Department), Section 52 (Counties, Cities or Other Political Corporations or Subdivisions; Lending Credit; Grants; Bonds), of the Texas Constitution provide for the creation of local governmental districts that are authorized to incur indebtedness to provide such permanent improvements and to levy taxes for the maintenance and operation of such improvements and for the repayment of such indebtedness.

S.B. 2074 creates the Legacy Municipal Utility District No. 1 (district). The district would include approximately 781.23 acres in Hays County. Along with powers from Chapter 54 (Municipal Utility Districts), Water Code, S.B. 2074 provides for road powers pursuant to Article III, Section 52, Texas Constitution, granting a limited power of eminent domain; providing authority to issue bonds; providing authority to impose assessments, fees, and taxes. In addition, S.B. 2074 allows for the district to divide.

S.B. 2074 amends current law relating to the creation of the Legacy Municipal Utility District No. 1, grants a limited power of eminent domain, provides authority to issue bonds, and provides authority to impose assessments, fees and taxes.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
