### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Currently, the sale or possession of Penalty Group 1, 2, 2-A, 3 and 4 drugs within a "drug-free zone" subjects an offender to an enhanced penalty.

In 1997, H.B. 1070, 75th Legislature, Regular Session, removed LSD's Penalty Group 1 classification and created Penalty Group 1-A to permit LSD to be punished on the basis of "abuse units" rather than weight. Unfortunately, the legislation creating Penalty Group 1-A did not also refer to this new section of law in the drug-free zones statute and LSD was effectively removed from the drug-free zone statute. It is believed this was merely an oversight.

S.B. 236 corrects this oversight to bring the penalty for the sale or possession of LSD within a drug-free zone in line with the penalty for the sale or possession of similar drugs.

During the interim, a school resource officer brought this issue to Senator Schwertner's attention when a person was arrested for selling LSD on a school campus and law enforcement was unable to pursue an enhanced penalty.

S.B. 236 amends current law relating to the punishment of certain controlled substance offenses committed in and drug-free zone.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
