### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

S.B. 460 updates the Pharmacy Act to close loopholes and keep pace with changing technologies. It repeals outdated and conflicting code provisions, amends portions of the statute for clarity, and makes other minor changes for the purpose of increasing efficiency at the Texas State Board of Pharmacy (TSBP) and holding bad actors accountable.

Notable changes made by S.B. 460 include allowing pharmacists to refill prescriptions of dangerous drugs during declared disasters, allowing pharmacies to use digital displays to post required notices to consumers, and clarifying that TSBP may inspect the records of pharmacists practicing in nontraditional settings.

As proposed, S.B. 460 amends current law relating to the licensing and regulation of pharmacists and pharmacies.

### **RULEMAKING AUTHORITY**

Rulemaking authority is expressly granted to the Texas State Board of Pharmacy in SECTION 2 (Section 555.002, Occupations Code), and SECTION 5 (Section 556.057, Occupations Code) of this bill.

Rulemaking authority is expressly granted to the Texas Medical Board in SECTION 9 (Section 562.056, Occupations Code) of this bill.

### **SECTION BY SECTION ANALYSIS**

SECTION 1. Amends Section 483.047, Health and Safety Code, by amending Subsection (a) and adding Subsections (b-1) and (b-2), as follows:

(a) Provides that a pharmacist commits an offense, except as authorized by Subsections (b) and (b-1), rather than Subsection (b), if the pharmacist refills a prescription unless:

(1) the prescription contains an authorization by the practitioner for the refilling of the prescription, and the pharmacist refills the prescription in the manner provided by the authorization; or

(2) at the time of refilling the prescription, the pharmacist is authorized to do so by the practitioner who issued the prescription.

(b-1) Authorizes a pharmacist, notwithstanding Subsection (b) (authorizing a pharmacist to exercise his professional judgment in refilling a prescription for a dangerous drug without the authorization of the prescribing practitioner provided certain requirements), in the event of a natural or manmade disaster, to dispense not more than a 30-day supply of a dangerous drug without the authorization of the prescribing practitioner if:

(1) failure to refill the prescription might result in an interruption of a therapeutic regimen or create patient suffering;

(2) the natural or manmade disaster prohibits the pharmacist from being able to contact the practitioner;

(3) the governor has declared a state of disaster under Chapter 418 (Emergency Management), Government Code; and

(4) the Texas State Board of Pharmacy (TSBP), through the executive director of TSBP, has notified pharmacies in this state that pharmacists may dispense up to a 30-day supply of a dangerous drug.

(b-2) Provides that the prescribing practitioner is not liable for an act or omission by a pharmacist in dispensing a dangerous drug under Subsection (b-1).

SECTION 2. Amends Section 555.002(a), Occupations Code, as follows:

(a) Requires TSBP by rule to establish methods by which consumers and service recipients are notified of the name, mailing address, and telephone number of TSBP for the purpose of directing complaints to TSBP.
