AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Interested parties note that in a county with a small population it is sometimes burdensome to fulfill a petition requirement to qualify for a place on the ballot as a candidate for director of a hospital district. H.B. 1631 addresses this issue with regard to the Ochiltree County Hospital District by providing for a ballot application. (Original Author's / Sponsor's Statement of Intent)

H.B. 1631 amends current law relating to an election of the board of directors of the Ochiltree County Hospital District.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

Deletes existing text requiring that the petition be signed by at least 25 registered voters and filed not later than the 25th day before the date of the election.
