S.B. 1639

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Current law requires alcoholic beverage distributors to obtain a local wholesaler's permit before they may purchase ale and malt liquor from licensed brewpubs. This was probably a drafting oversight from the 83rd Legislative Session since very few distributors hold a local wholesaler's permit. Instead, most distributors hold a general wholesaler's permit.

S.B. 1639 corrects this oversight by allowing distributors to purchase ale and malt liquor from brewpubs with a general wholesaler's permit. S.B. 1639 also clarifies that a distributor with a local class B wholesaler's permit may purchase malt and vinous liquors from brewpubs. Finally, S.B. 1639 makes several technical corrections to the local distributor's section of the Alcoholic Beverage Code.

All of these changes are in keeping with the legislative intent of the brewpub reforms that were passed in the 83rd Legislative Session.

As proposed, S.B. 1639 amends current law relating to allowing certain wholesalers and distributors to purchase beer, ale, and malt liquor from the holder of a brewpub license.
