AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

S.B. 2285 excludes 138.3 acres of land from Harris County Fresh Water Supply District (FWSD) No. 58 by legislative action. The 138.3 acre tract is currently undeveloped, and development is not feasible without a district to finance water, sewer, and drainage infrastructure necessary to serve the tract. Harris County FWSD No. 58 currently has a tax rate of \$0.6050, which is not sufficient to finance even a small portion of the cost of the necessary infrastructure to serve this tract.

Harris County FWSD No. 58 is currently not receiving any water or sewer revenue from the tract and only a small amount of ad valorem tax revenue (approximately \$9,094 annually) from the tract.

The exclusion of land will not diminish or impair the rights of the holders of any outstanding indebtedness of the district as the bill provides that Harris County FWSD No. 58 shall continue to levy taxes on the excluded 138.3 acre tract as the tract will be required to pay its pro rata share of the outstanding indebtedness of the district until paid in full.

S.B. 2285 amends current law relating to the boundaries of the Harris County Fresh Water Supply District No. 58.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
